Dear [redacted] (b)(6)

We received your letter dated 8 January 2008 in which you request appeal of the organization's required deletions regarding your rewritten manuscript entitled *Human Sources* (formerly entitled *Bureaucratic Obstacles to National Security*). Your appeal is in progress but please understand that a thorough and fair appeal may take some time as this must be reviewed by the organization's senior management. We will contact you immediately once a decision has been reached. Please also note that, per the legally binding agreement you signed with the organization, you may not publish the manuscript (share it with others) until and unless it is approved.

I can be contacted at [redacted] if you have any questions.

Sincerely,
